ENVIROKLEAN INDUSTRIAL CLEANER / DEGREASER

ENVIROKLEAN penetrates and quickly removes grease, oil, road film and tough soils. Safe for any washable surface. Unique oil splitting properties enables contaminants to be skimmed off the surface or easily separated in system applications.

ENVIROKLEAN complies with all federal, state and local standards and regulations. Completely biodegradable, actually breaks down in the environment as water, minerals and CO₂. It is non-toxic and does not produce contaminants that pollute the air, per Title III Clean Air Act of 1990.
