LIME/SCALE REMOVER II

NAVSEA SHML APPROVED FOR ALL SURFACE SHIPS
FAST-ACTING FORMULA - NEW & IMPROVED!

Dissolves lime/scale
Fast-acting, multi-acid detergent
Removes hard water deposits and soap scum.

Dishwasher LIME/SCALE REMOVER

NSN #6850-01-671-7950

4/1 Gallon (GSA)

Also available in quart

Powerful, fast-acting, multi-acid detergent based cleaner. Dissolves away heavy grease, oil, soil, and mineral deposits. Dissolves and emulsifies soap scum, salts, as well as hard water deposits such as lime, calcium, and iron.

Multi-acid system is highly effective in removing lime, iron, and scale saving the cost of keeping equipment clean and free from harmful deposits. Concentrated to increase economy. Helps reduce downtime.

Other applications: Drinking fountains - removes hard water film and iron stains.
Aluminum/Metal Brightening - removed any loose soils.

DIRECTIONS FOR USE:

1. Make sure dishwasher is empty
2. Dilute 8 ounces of product, run machine for 10 mins on Delime setting
3. Run an empty cycle to rinse dishwasher
