

What Our Happy Customers Are Saying About Our Products!

USS HOPPER DDG-70

August 28, 2009

ReNu All Purpose Kleen

I was very impressed by the **ALL PURPOSE KLEEN** product that you brought two days ago. We were able to test the product in the galley and as you were saying it did clean the Gaylord system. It worked outstandingly on the floors and in the grout, my whole galley looks more alive. This surely helps my sailor's jobs work with ease!

AGAIN, thank you for taking the time and visiting us during the time for us to go on deployment. You believed in your products and I know it is hard to talk to us. Thank you and we on the USS HOPPER appreciate your hard work and dedication in keeping this warfighter in tip-top condition. I would definitely recommend this product for military use if you have not already had it on the GSA shelves! We need this product in the fleet.

Very respectfully,

SUPPO
