ReNu All Purpose Kleen

Dear Mr. Garcia,

I would like to say thank you for visiting USS Port Royal CG73 and introducing your new product "**RENU ALL PURPOSE KLEEN**". The non-toxic biodegradable all-purpose cleaner/degreaser is very effective in cleaning tough grease on the grills, Gaylord hoods, and especially the ovens. It works like magic in removing burnt food in the oven and the outcome is so amazing that it looks brand new on any foodservice equipment. Using the new product "**RENU ALL PURPOSE KLEEN**" is highly recommended for any foodservice equipment.

Actually, we can't wait for this product to be available in GSA so we can get some for our future and daily use.

Thank you very much for making it easier for all Culinary Specialists in cleaning and maintaining our equipment.

ALOHA and MAHALO to your team!

Thanks,

CSC(SW) J. Del Rosario
