Neutral Disinfectant Cleaner

Hi Mr. Garcia,

My crew has been using your products this underway (about a week now). We did not get a chance to use them in port. We have used them the in heads, throughout the clinic, and on the deck to mop. So far so good, the products smell great and are disinfecting our high traffic areas. We will continue to use and provide feedback as necessary.

Very respectfully,

Terah Johnson ABFC (AW/SW/IW)
