ReNu All Purpose Kleen

Jim,

Good day to you. I just want to say thank you for stopping by O'KANE to show us how great **ReNu All Purpose Kleen** is. I wish this product was available 13 years ago when I was a young MSSR cleaning the grill every day; I could have been the happiest person ever.

This is by far the best cleaning materials I've ever seen. It will not only save the Navy money but also save us space as well. It's the REAL 'all purpose cleaner', one product with many purposes. It does what its name says, ReNu – it will 'renew' all dirty or old galley equipment, Gaylord hoods, ovens, grills, fryers, and floors once used to Clean.

Once again, Mahalo!

Very respectfully,

CSC (SW) R. Escala
